Produce all documents that you have a legal right to obtain, that you have a right to copy, or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party.
2. Requested documents, and all documents reasonably related to the requested documents, should not be destroyed, altered, removed, transferred, or otherwise made inaccessible to the Select Committee to Investigate the January 6th Attack on the United States Capitol ("Committee").
3. In the event that any entity, organization, or individual denoted in this request is or has been known by any name other than that herein denoted, the request shall be read also to include that alternative identification.
4. The Committee's preference is to receive documents in a protected electronic form (i.e., password protected CD, memory stick, thumb drive, or secure file transfer) in lieu of paper productions. With specific reference to classified material, you will coordinate with the Committee's Security Officer to arrange for the appropriate transfer of such information to the Committee. 8. When you produce documents, you should identify the paragraph(s) or request(s) in the Committee's letter to which the documents respond.

Additionally, identify where the responsive document can now be found including name, location, and contact information of the entity or entities now in possession of the responsive document(s).
16. If a date or other descriptive detail set forth in this request referring to a document

is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, produce all documents that would be responsive as if the date or other descriptive detail were correct.

17. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data, or information not produced because it has not been located or discovered by the return date shall be produced immediately upon subsequent location or discovery.
18. All documents shall be Bates-stamped sequentially and produced sequentially.
